

WILLOW BRIDGE — ESTATE —

2018 Dragonfly Chardonnay

Estate grown from the spectacular hillside vineyard in the Ferguson Valley of the Geographe wine region, fruit is sourced from Forrest block planted in 1998.

Soil is typically a deep layer of ironstone gravelly loam over red and yellow friable clay with slight easterly aspects at elevations of 220 to 250m above sea level.

The Dragonfly Chardonnay is designed to capture the essence of this noble variety in its pure form.

Vibrant and refreshing in style, it highlights the classic white-fleshed stone fruit and almond blossom
