Willow Bridge Estate

2017 DRAGONFLY GEOGRAPHE CABERNET SAUVIGNON MERLOT

RRP \$22 / 2027

An 80/20 blend matured in new and used French hogsheads. The end result is a wine with soft mouthfeel and obvious oak, made for early consumption with its cassis and plum flavours largely unimpeded by tannins. Great value. 14% alc.

What makes this wine such great drinking?

A classic Western Australian blend; it's distinctively varietal in flavour and character, with the cabernet and merlot complementing each other so very well. Juicy, rich and soft, with fine tannin, underlying French oak and a moderate bay leaf intrigue.
