# Willow Bridge Estate

**2017 DRAGONFLY GEOGRAPHE SHIRAZ**

**RRP \$22 / 2037**

Willow Bridge has a long history of over-delivering in the context of the price/quality equation, this wine typical of that history. It is spectacularly lively and fresh, with fruits, spices and expertly played tannins to sustain its impact over the length of the long palate. Play with the aftertaste and you'll be convinced. 14% alc.

### What makes this wine such great drinking?

Purple, dense and flavoursome, shiraz from this region consistently produces wines of high quality. That's due to even and dry weather conditions during ripening, coupled with night-time draining of hot air via the valleys, leaving striking shiraz of freshness and purity.
