

WILLOW BRIDGE — ESTATE —

2017 Dragonfly Cabernet Merlot

Estate grown from the spectacular hillside vineyard in the Ferguson Valley of the Geographe wine region, fruit is sourced predominately from the Blinman block which was planted in 1998.

Soil is typically a deep layer of ironstone gravelly loam over red and yellow friable clay with slight westerly aspects at elevations of 220 to 250m above sea level.

Essentially the Dragonfly Cabernet Merlot is an expression of the deep dark fruit characters we attain from the Ferguson region, rich and smooth with lashings of chocolate.

Winemaking technique enhances the aromatic and flavour profile of the varieties whilst maintaining a long fine tannin structure.
