FERGUSON VALLEY

2017 Rosa De Solana Tempranillo Rosè

Estate grown from the spectacular hillside vineyard in the Ferguson Valley of the Geographe wine region, fruit is sourced from our Cameron block which were planted in 2009.

Soil is typically a deep layer of ironstone gravelly loam over red and yellow friable clay with slight westerly aspects at elevations of 220 to 250m above sea level.

The Willow Bridge rosa de solana highlights the purity and vibrancy of the Tempranillo grape.

A wonderful array of fresh fruit flavour, scented spice and intense palate punch, suited to the Spring and Summer months!

Winemaking

Variety

Tempranillo 100%

Region

Geographe 100%

Alcohol

12.7%

PH

3.61

Total Acidity

7.0 grams per litre

Fermentation

In the cold of the night, the fruit is harvested to retain freshness, flavour and low phenolic absorption. Quickly crushed and destemmed to the press and held cold for 3 hours. Cool fermentation followed with clear pink juice and the resultant wine is pale and precise. Early bottling retains the vitality of the wine.

Tasting Note/Flavour Profile

Pale pink colour, generous aromas of crushed raspberry, strawberry and jelly snakes. Pink musk and blossom in the background.

The purity of papaya and forest berries are evident on a juicy palate, creamy and almost chalky with a light savoury finish.

Cellaring

Drink at its youthful best.
