## *2018 Dragonfly Sauvignon Blanc Semillon*

Estate grown from the spectacular hillside vineyard in the Ferguson Valley of the Geographe wine region, fruit is sourced from our Forrest and Power blocks which were planted in 1998.

Soil is typically a deep layer of ironstone gravelly loam over red and yellow friable clay with slight westerly aspects at elevations of 220 to 250m above sea level.

Fresh, clean, zippy and tangy, the wine should be enjoyed in it's youth.
