

WILLOW BRIDGE

— ESTATE —

2020 Rosa De Solana

Estate grown from the spectacular hillside vineyard in the Ferguson Valley of the Geographe wine region, fruit is sourced from our Cameron block which were planted in 2009.

Soil is typically a deep layer of ironstone gravelly loam over red and yellow friable clay with slight westerly aspects at elevations of 220 to 250m above sea level.

The Willow Bridge rosa de solana highlights the purity and vibrancy of the Tempranillo grape.

A wonderful array of fresh fruit flavour, scented spice and intense palate punch, suited to the Spring and Summer months!

Winemaking

Variety	Tempranillo 87%, Grenache 13%
Region	Geographe 100%
Alcohol	13.8%
PH	3.68
Total Acidity	5.8 grams per litre
Fermentation	Minimal time on skins allows for a pale pink colour and less phenolic extract as juice is drained to fermenter for settling and racking. Cold fermentation retains the fresh crushed red fruits prior to racking, filtration and early bottling.

Tasting Note/Flavour Profile

Very pale pink colour, aroma of crushed raspberry, strawberry and scented rose petals.

Flavours of Turkish delight glide along the palate with the purity of forest berries, creamy and almost chalky with a light savoury finish.

Cellaring

Drink at its youthful best
