

91 Points, Patrick Eckel

2016 Willow Bridge Dragonfly Cabernet Sauvignon Merlot

A nose of blackberry, violets and graphite. The wine is medium to full bodied with generosity of black fruits contrasted by a gentle herbaceous edge and a supple backdrop of french oak richness. The finish is framed by juicy blackberry with a touch of milk chocolate and an enjoyable bay leaf like savoury thread.

As is the case with the Dragonfly wines from Willow Bridge it's made in a style that can be enjoyed now but will also benefit from medium term cellaring.

WHEN TO DRINK

Optimal Drinking 2017-2025
