2016 Willow Bridge Dragonfly Shiraz

A perennial favourite when it comes to value for money, the Dragonfly Shiraz delivers again.

WA Shiraz can often be a little backwards in it's youth, but this wine from the Geographe region has a generosity of fruit and suppleness of tannin to provide immediate enjoyment. The fruits range from dark cherry to blackberry with supporting notes of charcuterie and dark chocolate.

There is enjoyable contrast of pepper and graphite that play with chalky tannins to finish
