

## 2015 Solana Tempranillo

*Estate grown, matured in used French oak. Excellent colour; the signature dark (and other in some instances) cherry fruit doesn't blink, the tannins totally in tune and balanced, the finish fresh.*

## 2017 Dragonfly Sauv Blanc Sem

*Estate-grown. A portion was barrel-fermented to add texture and structure to the richly endowed palate with it's array of ripe tropical fruits of guava, ripe pineapple and passionfruit, meyer lemon juice*
